## Weeks 1 and 2 - Grammar

### -er verbs

The -er verbs in Spanish are a group of verbs that all have the same endings in the present tense.

To form the correct ending you remove the -er from the infinitive, and change it to match who is doing the verb.

Here's an example:

comer - to eat	
Com <b>o</b>	I eat
Com <b>es</b>	You eat
Com <b>e</b>	He/she eats
Com <b>emos</b>	We eat
Com <b>éis</b>	You (pl) eat
Com <b>en</b>	They eat

## Weeks 3 and 4 - Grammar

### Opinions with a noun

When we give opinions we need to use the verbs 'gustar' and 'encantar'. Both verbs work in the same way:

	gustar - to like	encantar - to love
I	me gusta(n)	me encanta(n)
You (s)	te gusta(n)	te encanta(n)
He/she	le gusta(n)	le encantan(n)
We	nos gusta(n)	nos encanta(n)
You (pl)	os gusta(n)	os encanta(n)
They	les gusta(n)	les encanta(n)

**Be careful - we must add an 'n' when the noun is plural:**

Me gustan las hamburguesas = I like burgers

## Weeks 5 and 6 - Grammar

### Negatives:

In Spanish to turn a verb negative is very easy!

You just add an adverb **directly before** the verb.

The adverbs you need to know are:

**No** como = I don't eat

**Nunca** como = I never eat

**Ya no** como = I no longer eat
